Decision of Universal Service Administrator on)
Funding Request Number 201905)
(Reference FCC Docket Nos. 97-21 & 96-45))

COMES NOW the Winterset Community School District ("Winterset"), by and through counsel Ivan T. Webber, AHLERS, COONEY, DORWEILER, HAYNIE, SMITH & ALLBEE, P.C., Des Moines, Iowa, a member in good standing of the bar, admitted to practice before the Supreme Court of the State of Iowa and thus qualified to practice before the Federal Communications Commission pursuant to Title 47, Part 1, Section 1.23, and in support of its appeal from the SCHOOLS AND LIBRARIES DIVISION (SLD) Administrator's Decision on Funding Request No. 201905 dated March 21, 2000, states:

DIVISION I: STATEMENT OF PARTY'S INTEREST

Winterset's Funding Request No. 201905 was wrongfully denied due to a mistake of fact

on the part of the Administrator.

DIVISION II: STATEMENT OF MATERIAL, RELEVANT FACTS

1. After Winterset filed its form 470 on or about 01-11-99, Winterset filed its form 471 with the SLD on or about 03-24-99, a copy of which is attached hereto as Exhibit "A," including what became Funding Request Number 201905 in the amount of \$25,900, and Funding Request Number 201907 in the amount of \$1,944, for a total of \$27,844, and showing a written bid from INTERSTATE 35 TELEPHONE CO. ("INTERSTATE") dated 01-26-99 in support of Funding Request Number 201905.

2. Unfortunately, INTERSTATE's 01-26-99 bid included bids both for components related to Winterset's Funding Request Number 201905 in the amount of \$25,900, as well as components *not* related. Specifically, the figures on INTERSTATE'S 01-26-99 bid appearing below the figure of \$25,843 (rounded to \$25,900) have *nothing* to do with Funding Request Number 201905. By coincidence, these two figures, \$19,632 and \$6,200, when added together, come within a few dollars of \$25,843.00, with the result that the SLD evidently jumped to the erroneous conclusion that the figures of \$19,632 and \$6,200 were component parts of the figure of \$25,843.00. In fact, these two *unrelated* figures total \$25,832.00, not \$25,843.00 (rounded to \$25,900) requested in Funding Request Number 201905.

3. The SLD acknowledged receipt of Winterset's Application for both Funding Request Number 201905 (\$25,900) and Funding Request Number 201907 (\$1,944), in the total amount of \$27,844, in a letter dated 05-20-99, a copy of which is attached hereto as Exhibit "B."

4. The SLD issued a decision letter dated 10-12-99 denying Winterset's Funding Request Number 201905 in the amount of \$25,900 for the stated reason that "30% or more of

this FRN includes a request for telephones, modems and voice mail which are ineligible products and services based on program rules." A copy of said decision letter is attached hereto as Exhibit "C." In the same letter the SLD also denied Winterset's Funding Request Number 201907 in the amount of \$1,944, a denial which Winterset does not appeal.

5. Winterset filed its Letter of Appeal with the SLD relative to Funding Request Number 201905 in the amount of \$25,900 on or about 11-02-99, a copy of which is attached hereto as Exhibit "D." Winterset sought to clarify its request with a revised bid from INTERSTATE dated 11-02-99 showing system equipment and installation costs of \$22,921.80 and telephone instrument costs of \$2,922.00 (11.3% of the total bid), for a total of \$25,843.80 (rounded to \$25,900). INTERSTATE'S 11-02-99 bid specifically eliminated references appearing on INTERSTATE'S 01-26-99 bid to the figures of \$19,632.00 and \$6,200, neither of which, as noted above, had anything to do with Funding Request Number 201905. Winterset further offered to delete the telephone instruments from the bid altogether, so that telephone instruments would constitute 0% of the funding request.

6. The Universal Service Administrative Company issued a Administrator's Decision on Appeal dated March 21, 2000, a copy of which is attached hereto as Exhibit "E," which denied Funding Request Number 201905 for the reason that "[y]our funding request included more than 30% of ineligible services which resulted in the denial of the entire amount of the FRN. These items include modems, telephones and voice mail – a total of 34.5% of the amount requested." Winterset could not duplicated the Administrator's computation with any combination of the numbers involved in this matter. However, Winterset speculates that the Administrator compounded the SLD's error by continuing to erroneously assume that the 01-26-

99 INTERSTATE figure of \$6,200.00 for voice mail was still a component part of Winterset's request, even though it did not appear on the 11-02-99 INTERSTATE bid. It is even possible that due to the disappearance of this figure from the 11-02-99 INTERSTATE bid, the Administrator wrongly assumed that Winterset was attempting to hide the cost of voice mail in the overall bid. In any event, if the figure of \$6,200 from the 01-26-99 INTERSTATE bid is erroneously added to the cost of telephone instruments in the amount of \$2,922 from the 11-02-99 INTERSTATE BID, and the total (\$9,122) is divided by the amount of the requested funds (\$25,900), the percentage figure of 35.22% results, which is very close to the percentage figure erroneously reached by the Administrator (34.5%).

7. Regrettably, the Administrator made no effort to seek further clarification from Winterset and evidently joined in the SLD's jump to an entirely unwarranted conclusion.

8. In fact, Winterset's Funding Request Number 201905 in the amount of \$25,900 does and always did include only qualified equipment and services but for \$2,922 (11.3% of the funds requested) associated with telephone instruments which Winterset concedes do not qualify. Funding Request Number 201905 never included costs for voice mail. Funding Request Number 201905 certainly never included more than 34.5%, or even 30%, of "ineligible products and services." The Administrator's decision is simply, factually, demonstrably wrong.

DIVISION III: QUESTION PRESENTED FOR REVIEW

The question presented for review is: Did the Administrator have any legitimate factual basis for concluding that Winterset's Funding Request Number 201905 included modems, telephones and voice mail comprising 34.5% of the amount requested? *See* Exhibit "E." For the reasons stated above, Winterset avers that the Administrator misconstrued the vendor bids and

did not consider Winterset's clarification of the true facts stated in Exhibit "D."

**DIVISION IV: STATEMENT OF THE RELIEF SOUGHT AND THE RELEVANT
STATUTORY OR REGULATORY PROVISIONS**

Winterset requests the Federal Communications Commission to correct the Administrator's erroneous finding of fact, overturn the Administrator's Decision on Appeal of March 21, 2000, and approve Winterset's Funding Request Number 201905 in accordance with Universal Service Fund rules.

FCC Form 471 RECEIPT ACKNOWLEDGMENT LETTER TO APPLICANT
Re: Form 471 Application Number 135186
Funding Year 07/01/1999 - 06/30/2000
Billed Entity Number 131968

NOTICE: This notification is an acknowledgment of RECEIPT and SUCCESSFUL DATA ENTRY of your Form 471 application reflecting \$27,844.00 in total annual pre-discount costs for services. This letter does NOT contain any decisions concerning your requests for discounts. Please keep this letter for your records. The Form 471 application number cited above is critical for you to link your application to future Schools and Libraries Division (SLD) communications.

Please be advised that your Form 471, Services Ordered and Certification Form, was officially received by the SLD on 03/26/1999 and successfully entered into our data system. SLD's Program Integrity Assurance (PIA) Team will now review your application for compliance with program rules. Once the review of your application has been completed, you will receive a separate Funding Commitment Decisions Letter which informs you of the disposition of your application. Until you receive a Funding Commitment Decisions Letter from the SLD, you cannot assume that you will receive the discounts for which you are applying.

In addition, we have received the Certifications for the Forms 470 cited in your Form 471, as well as the Certification for the Form 471 and the other required documentation. We have inputted these Certifications to our processing system.

Your application will be considered within the application filing window wherein all applications which pass the Minimum Processing Standards are treated as though they were received on the same day.

Explanation of Line Item Information

All line items listed in Items 15 and 16 of the Form 471 application number cited above at the top of this letter (under the date of this letter) which passed Minimum Processing Standards and which could be entered into our data system are shown below. There are four important components of information shown for each line item:

FRN: The FRN is the Funding Request Number that the SLD assigned to each separate row of Item 15/16 that is entered into our data system. This number will be cited in relation to the SLD's funding decision contained in the Funding Commitment Decisions Letter. The FRN information will also be shared with service providers so that they can provide discounted bills and invoice the SLD for the approved discount amount.

SPIN: This is the Service Provider Identification Number that you provided. This is a unique identification number assigned to each service provider.

Service Provider Name: This is the legal name in our database that is associated with the Service Provider Identification Number that you provided.

Services Ordered: This is the type of services for which you have requested discounts. The Services Ordered categories are: Telecommunications Services; Internet Access; Internal connections-Shared; Dedicated Services or Internal Connections-Site Specific. The Legend for these categories is as follows:

Telc Svc(S) = Telecommunications Services
Inet Acc(S) = Internet Access
Intr Con(S) = Internal Connections (Shared)
Ded Svc = Dedicated Services
Intr Con = Internal Connections (Site Specific)

Pre-discount Cost: This is the total annual pre-discount cost for each FRN. This amount is taken from Column 10 of Items 15/16.

Disc.: This is the discount percentage from Block 5, Items 15/16, Column 11.

FRN	SPIN	Service Provider Name	Services Ord.	Pre-Disc. Cost	Disc.
201905	143017526	Interstate Cablevision	Telc Svc(s)	\$ 25,900.00	53%
201907	143017526	Interstate Cablevision	Telc Svc(s)	\$ 1,944.00	53%
Application Total:				\$ 27,844.00	

Missing FRNs

If a Line Item that you completed in your application is not included in the itemized list of FRNs set forth above, this is because the FRN (line item) did not pass Minimum Processing Standards. If this is the case, you will receive a separate letter from the SLD informing you that these FRNs have been rejected, with an explanation of the reason for rejection. If you believe that there were FRNs included in your application which are not listed in this letter AND you have not received a letter informing you that those FRNs are rejected, please write to us at the address listed at the bottom of this letter concerning "Questions about this Letter". Please note that the Client Service Bureau may not have the information necessary to respond to your inquiry; therefore, your letter should be sent to the New Jersey address featured below.

FRN Information that Varies from your Application

If the information reported in this letter is at variance with the information that you provided in your application, please write to us at the address listed at the bottom of this letter under "Questions about this Letter".

Future Contacts with PIA

It may be important for us to contact you as our PIA (Program Integrity Assurance) Team reviews the funding requests contained in your application. Our requests for clarification and/or additional information will require a prompt response, and the due date for such responses will be established at the time that the PIA Team may contact you. Please make sure that the contact person on your application is available to speak with the PIA Team, or that a surrogate is available. In addition, you should monitor on a daily basis the fax and e-mail locations that you may have cited in your Form 471 application for the applicant and the contact person for the applicant.

Communications with your Service Providers

The SLD is also sharing Funding Request information with service providers whose SPINs are listed on Form 471 applications. This information is provided so that service providers can undertake the preparatory steps of identifying their potential customers for whom discounts may be issued. NO DISCOUNTS will be provided until after the SLD issues the Funding Commitment Decisions Letters for a particular application, and the applicant submits a Form 486 to confirm that services have begun to be delivered, and that technology plans, if applicable, have been approved.

The SLD encourages Form 471 applicants to contact their service providers to inform the service providers of the funding requests submitted to the SLD. Service providers may request additional information containing the specific services contained within each funding request. Applicants are encouraged to share this information with service providers in order for the service providers to begin the preparatory billing steps.

Questions about this Letter

If you have any questions regarding the above information, please write to us at "SLD, Box 300-Correspondence Unit, 100 South Jefferson Road, Whippany, NJ 07981". Thank you for your interest in the Schools and Libraries Universal Service Program.

Re: Form 471 Application Number: 135186
Funding Year: 07/01/1999 - 06/30/2000
Billed Entity Number: 131968

Thank you for your 1999-2000 E-rate application and for any assistance you provided throughout our review. We have completed processing of your Form 471. This letter is to advise you of our decisions.

FUNDING COMMITMENT REPORT

From your Form 471, we reviewed row-by-row discount requests in Items 15 and 16. We assigned each row a Funding Request Number (FRN). On the pages following this letter, we have provided a Funding Commitment Report for each FRN in your application.

Attached to this letter you will find a guide that defines each line of the Funding Commitment Report and a complete list of FRNs from your application. The SLD is also sending this information to your service provider(s) so arrangements can be made to begin implementing your E-rate discount(s). We would encourage you to contact your service providers to let them know your plans regarding these services.

FOR QUESTIONS

If you have questions regarding our decisions on your E-rate application, please notify us in writing. Your questions should be sent to: Questions, Schools and Libraries Division, Universal Service Administrative Company, Box 125 - Correspondence Unit, 100 South Jefferson Road, Whippany, NJ 07981.

FOR APPEALS

If you wish to appeal to the SLD, your appeal must be made in writing and received by us within 30 days of issuance of this letter as indicated by its postmark. In your letter of appeal, please include: correct contact information for the appellant, information on the Funding Commitment Decision you are appealing and the specific Funding Request Number in question, and an original authorized signature. Appeals sent by fax, e-mail or phone call cannot be processed. Please mail your appeal to: Letter of Appeal, Schools and Libraries Division, Box 125 - Correspondence Unit, 100 South Jefferson Road, Whippany, NJ 07981. You may also call our Client Service Bureau at 888-203-8100. While we encourage you to resolve your appeal with the SLD first, you have the option of filing an appeal directly with the Federal Communications Commission (FCC): FCC, Office of the Secretary, 445 12th Street SW, Room TW-A 325, Washington, D.C. 20554.

NEXT STEPS

Once you have reviewed this letter and have determined that some or all of your requests have been funded, your next step is to complete and submit the enclosed FCC Form 486. This Form notifies the SLD that you are currently receiving or have begun receiving services approved for discounts and provides certified indication that your technology plan(s) has been approved. As you complete your Form 486, you should also contact your service provider to verify they have received notice from the SLD of your commitments. After the SLD processes your Form 486, we can begin processing invoices from your service provider(s) so they can be reimbursed for discounted services they have provided you. For further detailed information on next steps, please review all enclosures.

NOTICE ON RULES AND FUNDS AVAILABILITY

Applicants' receipt of funding commitments is contingent on their compliance with all statutory, regulatory, and procedural requirements of the universal service mechanisms for schools and libraries. FCC Form 471 Applicants who have received funding commitments continue to be subject to audits and other reviews that SLD or the Commission may undertake periodically to assure that funds have been committed and are being used in accordance with all such requirements. If the SLD subsequently determines that its commitment was erroneously issued due to action or inaction, including but not limited to that by SLD, the Applicant, or service provider, and that the action or inaction was not in accordance with such requirements, SLD may be required to cancel these funding commitments and seek repayment of any funds disbursed not in accordance with such requirements. The SLD, and other appropriate authorities (including but not limited to USAC and the FCC) may pursue enforcement actions and other means of recourse to collect erroneously disbursed funds.

The timing of payment of invoices may also be affected by the availability of funds based on the amount of funds collected from contributing telecommunications companies.

We look forward to continuing our work with you on connecting our schools and libraries together through communications technology.

Sincerely,
Kate L. Moore
President, Schools and Libraries Division, USAC

EXPLANATION OF A FUNDING COMMITMENT REPORT

Attached to this letter will be a report for each approved E-rate funding request from your application. We are providing the following definitions.

- * **FUNDING REQUEST NUMBER (FRN):** A Funding Request Number is assigned by the SLD to each line completed in Items 15 and 16 of your Form 471 once an application has been processed. This number is used to report to applicants and vendors the status of individual discount requests submitted on a Form 471. Applicants and vendors learned about FRNs when they received their Receipt Acknowledgement Letter and must use these numbers when completing the Form 486 and Invoices. An FRN will never be longer than 10 digits. If a FRN is shorter than 10 digits, applicants are advised to add zeroes to the front of the numbers to reach 10 digits when filing post-commitment forms.
- * **FUNDING STATUS:** Each FRN will have one of six definitions: "Funded", "Denied", "Partially Funded", "Funds Exhausted", "Unfunded", or "As Yet Unfunded". An FRN that is "Funded" will be approved at the level that SLD determined is appropriate for that item. That will generally be the level requested by you unless the SLD determines during the application review process that some adjustment is appropriate, for example, a different discount percentage for that FRN than the Form 471 featured. A "Denied" FRN is one for which no funds will be committed, and the reason for that decision will be briefly explained in the "Funding Commitment Decision", and amplification of that explanation may be offered in the section, "Funding Commitment Decision Explanation". In accordance with FCC program rules, FRNs are "Partially Funded" or "Unfunded", if the total amount of funds in the Universal Service Fund is insufficient to fully fund or fund all approved requests. If the Form 471 was received after all the funds in the Universal Service Fund were allocated and it was processed, the status will indicate "Unfunded - Funds Exhausted". "As Yet Unfunded" is a temporary status that would be assigned to an FRN when the SLD is uncertain at the time the letter is generated whether there will be sufficient funds to make commitments for a particular service type at a particular discount level. For example, if your application included both telecommunications services and internal connections, you might receive a letter with our funding commitment for your telecommunications requests and a message that your internal connections requests are "As Yet Unfunded". You would then receive a later letter regarding our funding decision on your internal connections requests.
- * **SPIN (Service Provider Identification Number):** A unique number assigned by the Universal Service Administrative Company to vendors seeking payment from the Universal Service Fund for participating in the universal service support programs. A SPIN contains 9 digits and should be included by applicants on their completed Form 471 applications. A SPIN is also used to verify delivery of services and to arrange for payment.
- * **SERVICE PROVIDER NAME:** The legal name of the service provider.
- * **PROVIDER CONTRACT NUMBER:** The number of the contract between the eligible party and the service provider. This will be present only if a contract number was provided on Form 471.
- * **SERVICES ORDERED:** The type of service ordered from the service provider, as shown on Form 471.
- * **EARLIEST POSSIBLE EFFECTIVE DATE OF DISCOUNT:** The first possible date of service for which the SLD will reimburse service providers for the discounts for the service. Note: If the actual service start date provided on a Form 486 is later than this date, the actual service start date set forth in the Form 486 will be the effective date of the discount.
- * **CONTRACT EXPIRATION DATE:** The date the contract expires. This will be present

only if a contract expiration date was provided on Form 471. This is not applicable for tariff services.

- * SITE IDENTIFIER: This will appear only for FRNs listed in Item 16 of your Form 471. For public schools, the 12-digit NCES code you listed in Item 14 for this school site will appear here. If there is no NCES Code for an FRN in Item 16, the SLD-assigned entity number will appear here.
- * PRE-DISCOUNT COST: Amount in Column 10 of Item 15/16, Form 471, as determined through the application review process. Please note that, during the Problem Resolution process at SLD, the amount in Col. 10 of Item 15/16 may have been corrected to conform to the information provided about Service Start Date and

Monthly Costs.

- * DISCOUNT PERCENTAGE APPROVED BY THE SLD: This is the discount rate that the SLD has approved for this service.
- * FUNDING COMMITMENT DECISION: This represents the total amount of funding that the SLD is now reserving to reimburse service providers for the discounts for this service through June 30, 2000. This figure may be different from the Estimated Total Annual Pre-Discount Cost (Col. 10 of Item 15/16) times the Percentage Discount (Col. 11 of Item 15/16) in the 471 application. It may be lower because of an adjustment determined appropriate by the SLD, such as of the discount percentage, or a denial of discounts and, if so, the accompanying comment will explain this difference. The difference may also reflect a reduction from the request level made necessary by overall funding limitations, in which case the "Funding Status" above will indicate "Partially Funded" or "Unfunded". Whatever amount is listed here, it is important that you and the service provider both recognize that the SLD should be invoiced and the SLD may direct disbursement of discounts on only eligible, approved services actually rendered.
- * FUNDING COMMITMENT DECISION EXPLANATION: This entry may appear to amplify the comment in the "Funding Commitment Decision", if the discount request for this service is denied for reasons other than "Unfunded" or if the SLD determined that some adjustment to the request level was appropriate.

To Whom It May Concern:

In the matter of Form 471 Application Number 135186, Funding Request Number 0000201905 for SPIN Number 143001975, would you please reconsider. The reason given for denying the application was that more than 30% of the FRN includes a request for telephones, modems and voicemail, which are ineligible products and services based on program rules.

We sent a copy of the proposal for the telephone system to you, which also included separate bids for voicemail systems, and connecting the new phone system to our system at the Elementary/Middle School. The only part of the bid that we were wanting was the phone system itself, which did include a few phones. I have a different price quote for the same system (\$22,921.80 or a total \$25,843.80 with the telephones – same total as first bid), that breaks out the telephones (\$2,922), so that you can see that the telephones aren't more than 30% of the total. We would also consider buying the phones separately if we were funded for the phone system itself.

Please let me know if you need more information.

Sincerely yours,

Re: Billed Entity Number: 131968
Application Number: 135186
Funding Request Number(s): 201905
Your Correspondence Dated: November 2, 1999

After thorough review and investigation of your appeal, the Schools and Libraries Division (SLD) of the Universal Service Administrative Company has resolved your appeal seeking approval of additional discounts for the second program year. This letter addresses our decision concerning each Funding Request Number that was included in your letter of appeal for the Application Number cited above. If your letter of appeal addressed more than one Application Number, a separate letter will be issued to inform you of our decision on the appeal of each Application Number.

Funding Request Number: 201905
Decision on Appeal: Denied in full.

Denial Reason(s):

- Ineligible service - Your funding request included more than 30% of ineligible services which resulted in the denial of the entire amount of the FRN. These items include modems, telephones and voice mail - a total of 34.5% of the amount requested.
- Additional funding requests beyond those included on the original 471 can only be considered if included on a new 471.

If you feel further examination of your application is in order, you may file an appeal with the Federal Communications Commission, Office of the Secretary, 445 12TH Street, SW, Room TW-A325, Washington, DC 20554. Before preparing and submitting your appeal, please be sure to review the FCC rules concerning the filing of an appeal of an Administrator's Decision, which are posted to the SLD Web Site at <www.sl.universalservice.org>. You must file your appeal

with the FCC no later than 30 days from the date of the issuance of this letter, in order for your appeal to be timely filed.

You should now move ahead, if you haven't already done so, with your Form 486 and related post-commitment arrangements for services for which funds have been committed and services have begun to flow. We thank you for your continued support, patience, and cooperation during the appeal process.
